2019 Members & Friends Directory

I am now in the process of arranging the church directory for this year, but **I do need active involvement from everybody** who is in both regular fellowship or membership, thanks to the legislation that is 'GDPR'!

I can no longer just accept a note of, or simple affirmation of current details, because the Church can only use details given on a GDPR permission form. Whilst I will still put a board out at the back of the church, it is only for you to ascertain whether:

- ANY of your current details are in **RED**
- Your details are **NOT** listed at all.

If either of the above relates to you, then I do need to see you! I will situate myself at the desk in the Loaves and Fishes during refreshments, so please come and see me! We can then determine what action is needed in order to ensure the new directory is correct. Many thanks for your assistance with this! **Di.**

Next Week's Notice Sheet: Please let me have items for next Sunday's notice sheet as early as possible during the week to be sure of entry. Thursday is cut off. Many thanks, **Steve.**
